

U.S. Fish and Wildlife Service

Partners for Fish and Wildlife Program & Fish Passage Program

March 7th, 2017

Kyle Graham – Fish and Wildlife Biologist

What we do

“Partners” Program

- Voluntary habitat enhancement, restoration, and protection on private lands.
- Streambank restoration, riparian protection, invasive species.
- “Cost Share” program – 700 projects!

What we do

Fish Passage

- Voluntary, non-regulatory, approach to address barriers to fish passage.
- Replacing undersized or perched culverts, ATV crossings.
- Provide technical and financial assistance.

How we work

- On-the-ground people delivering conservation outcomes.
- Focus work on priority areas and species
- Guided by - *“Partners” Strategic Plan 2017 – 2021*
Kenai Pen. Fish Habitat Partnership CAP
Mountains to Sea Strategic Plan

Challenges

- Invasive species

Opportunities

- Hold up relationships/stories that are working
- Kenai Peninsula Fish Habitat Partnership
